Valentine's Day idioms

head over heels (in love)

completely in love

Laura *fell head over heels in love* with Chris.

love at first sight

a situation in which you start to love someone or strongly like something immediately, the first time you see them or it

They met at a party and it was *love at first sight*.

have (got) the hots for someone

to be very sexually attracted to someone

She's *got the hots for this guy* in her office.

fall for someone

to suddenly have strong romantic feelings about someone

He's *fallen for her* in a big way.

tie the knot

to get married

So when are you two going to *tie the knot*?

made for each other

perfectly matched

The two of you were *made for each other*!

3. Each sentence contains one mistake. Find it and correct the sentence

1. She is the apple of his eyes.
2. He popped her a question last night.
3. They tied a knot last summer.
4. He wears his heart on his hand.
5. She fell on him immediately.
6. They are a match made from heaven.
7. He is head over heels with her.
8. She has the hots to her colleague.
9. They were love on first sight.
10. He swept her from her feet.
11. She is wearing her heart on the sleeve.
12. He fell for to her after a few dates.
13. He was completely head over heels on her.
14. She kept stringing him on for months.
15. They are clearly made to each other.

4. Match each idiom to its correct definition
